Dear Mr. Oglesby:

Please find enclosed letters written by students from Grace Norton Rogers School located in my district in Hightstown, New Jersey.

Having met with these children, I have ensured them that President Reagan would receive their missives before departing for the Summit Meeting. Each of these children are requesting that the release of Raoul Wallenberg be included in the President's agenda. Thank you for your assistance in presenting these to President Reagan.

In addition, I would greatly appreciate a response written directly to me from President Reagan acknowledging the receipt of these letters. Mr. Oglesby, thank you for your careful attention to this matter.

With kindest regards, I remain

Sincerely,

CHRISTOPHER H. SMITH
Member of Congress
